TOP 10 Tools and Tips to Land Your Next Job – Amy Dinning

– There is so much to focus on and do, how do you determine the critical activities and tools to land your next job? Amy will share her 10 top tools and tips to land your next job. The information will give you a roadmap to follow and move you forward on your journey to successful employment. Our next two speakers will do a deeper dive into Networking and LinkedIn, two of the top tips and tools.

You'll Get By With A Little Help from Your Friends: Power Networking for Introverts and Extroverts

– **Theresa Hummel-Krallinger** – Networking has long been recognized as a powerful tool for business professionals. What are you doing to build and maintain your professional network? Attend this session to learn tips and tricks to build and manage your network. Participate in a "safe" structured networking exercise. You're guaranteed to leave with a valuable piece of advice and at least one new contact.

LinkedIn Profile Optimization: Get Found Faster and Give the Right First Impression!

– **Bobbie Foedisch** – Learn how to build and position your LinkedIn profile to get found faster and give the right first impression. Bobbie will share how to brand yourself, how to display work examples, how to leverage Search Engine Optimization to be found, how to tell stories and feature accomplishments and how to showcase your work and other experience.

Join us at 8:45 a.m. for networking. The workshop will begin at 9 a.m. A link to the handouts will be provided after the workshop.

Please register online at <https://www.eventbrite.com/e/jump-start-your-job-search-online-workshop-tickets-168010773747> and pay with a credit card. You will receive a Zoom link in order to attend the workshop. Please note that **online registration will close on Friday, October 15 at noon.**
